

APPRENTICESHIP BUILDING SERVICES

Want to become a multi-tasker to support building services projects? Start a **Building Services Apprenticeship** with Uxbridge College and earn while you learn!

HOW APPRENTICESHIPS WORK

BUILDING SERVICES APPRENTICESHIP PROGRAMME

This apprenticeship is suitable for you if you want to start a career or develop your existing skills in Building Services. A Building Services apprenticeship will include assessing the environmental impact and risks connected to projects, discussing requirements with the client and colleagues, provide technical and functional support, and monitor and implement building services engineering projects.

www.apprenticeextra.co.uk

Apprentice Oyster Card -

To get up to discounts on travel within London Borough, visit

<https://tfl.gov.uk/fares-and-payments/adult-discounts-and-concessions/apprentice-oyster-photocard>

Do I already need to have a job?

You should be working a minimum of 30 hours per week in a job. If you are unemployed, view our vacancies to apply for a job: www.uxbridgecollege.ac.uk/apprenticeships

Can I start an apprenticeship after Year 11?

Yes, you can! Young people in England must stay in education or training until they turn 18. If you're looking for a different option after Year 11, an apprenticeship could be the answer for you!

How long does it take to complete an apprenticeship?

You can complete each apprenticeship within 3 years,

depending on your experience, competence and the company you are working in.

How much does it cost?

There is no cost for you to do an apprenticeship if you are 16-23 years old and you will be paid a wage.

How am I assessed?

Assessments are carried out in your workplace. Our assessor will come and assess you in your job role.

What's next after I complete my apprenticeship?

Further Study -

Apprentices that complete Level 3 may be able to go onto a Level 4 Higher Apprenticeship or further training in similar areas.

Career opportunities -

- Mechanical Engineer
- Electrical Engineer
- Building Services Engineer
- Projects Engineer
- Maintenance Engineer.
