Can I start an apprenticeship after Year 11?

Yes, you can! Young people in England must stay in education or training until they turn 18. If you're looking for a different option after Year 11, an apprenticeship could be the answer for you!

How long does it take to complete an apprenticeship?

You can complete each apprenticeship within 2 years,

depending on your experience, competence and the company you are working in.

How much does it cost?

There is no cost for you to do an apprenticeship if you are 16-23 years old and you will be paid a wage.

How am I assessed?

Assessments are carried out in your workplace. Our assessor will come and assess you in your job role.

What's next after I complete my apprenticeship?
