

APPRENTICESHIP MOTOR VEHICLE – MAINTENANCE & REPAIR

Love cars? Want to work in the Motor Vehicle industry? Start your career with our **Motor Vehicle - Maintenance & Repair** apprenticeship.

HOW APPRENTICESHIPS WORK

MOTOR VEHICLE – MAINTENANCE & REPAIR APPRENTICESHIP PROGRAMME

This apprenticeship deals with the repair and maintenance of all types of vehicles, from mopeds to lorries. There are more than 32 million vehicles on the UK's roads, which mean we need plenty of motor vehicle technicians to keep them roadworthy. As an apprentice, you could work for a dealership and focus on a particular manufacturer, or work for an independent garage.

Can I start an apprenticeship after Year 11?

Yes, you can! Young people in England must stay in education or training until they turn 18. If you're looking for a different option after Year 11, an apprenticeship could be the answer for you!

How long does it take to complete an apprenticeship?

You can complete an apprenticeship within 1.5 to 3 years, depending on your experience, competence and the company you are working in.

How am I assessed?

Assessments are carried out in your workplace. Our assessor will come and assess you in your job role.

How much does it cost?

16 - 23 year olds: there is no cost for you to do an apprenticeship and you will be paid a wage.

What's next after I complete my apprenticeship?

Further Study -

If you complete a Level 2 Apprenticeship, you may be able to progress onto Level 3. Apprentices that complete Level 3 may be able to go onto further training in similar areas.

Career opportunities -

Level 2: Light vehicle service technician, heavy vehicle service technician, motorcycle service technician, auto electrical technician, mobile electrical installation technician, heavy vehicle trailer technician and lift truck technician.

Level 3: Light vehicle diagnostic technician, heavy vehicle diagnostic technician, motorcycle diagnostic technician, auto electrical diagnostic technician, mobile electrical installation diagnostic technician and lift truck diagnostic technician.
