

## ENTRY REQUIREMENTS FOR ALL GCSE SUBJECTS FOR ACADEMIC YEAR 25/26

To enrol onto the GCSE 're-take' programme a minimum of 5 GCSEs at grades 3 or above (including English and maths) are required.

Applicants with no qualifications from a recognised UK awarding body, either because they have previously studied overseas, have been home schooled, or left before taking exams due to illness, will need to sit the Sixth Form GCSE entry test in English, maths and science (biology, chemistry and physics).

Applicants who have already taken GCSEs and not achieved the required results, will **NOT be referred for a test** but will be referred to Information and Guidance (IAG) or an alternative course within the college.

Successful applicants will be required to study 5 subjects from the list below as part of their programme.

### GCSE subjects available:

Science	
Biology <b>GRBIOU</b>	<b>Exam board: AQA</b> <a href="#">Link to specification</a>
