

The benefits of studying a HNC/HND in Engineering at Uxbridge College

Why study Higher Education (HE) at Uxbridge College?

- The Engineering department has a range of modern equipment and software to assist learning, experienced and specialist teaching staff, excellent pastoral care, a dedicated HE room with modern IT facilities and affordable and highly competitive fees as compared to many other institutions.
- In HE, students are encouraged to take innovative and challenging projects as per their aspirations. Good support and guidance is provided by specialist technical staff. Students visit engineering companies to enrich their curriculum experience. They also visit local universities and have extracurricular sports facilities.
- The Engineering department has links with local employers who provide specialised projects that students can work on if they are interested.
- After completion of Level-4 HNC qualification students will have the opportunity to progress to level-5 HND at Uxbridge College or into employment in the engineering sector. Tutors provide professional advice to assist students in securing progression to HND / employment.
- Good achievement rate, all our staff encourage and provide support to students to achieve best results.

We offer the following HNC and HND Courses at Uxbridge College:

BTEC Level 4 HNC Diploma in Electrical and Electronic Engineering (part-time)

BTEC Level 4 HNC Diploma in Mechanical Engineering (part-time)

BTEC Level 4 HNC Diploma in Electrical and Electronic Engineering (full-time)

BTEC Level 4 HNC Diploma in Mechanical Engineering (full-time)
