## PGL Residential Liddington

### Bringing out the best in each other

C&G L2 Dip in Travel & Tourism enjoyed a 3 day residential trip to PGL in Liddington where they learned many new skills. Activities included abseiling, archery, climbing, canoeing, sensory trail, leap of faith, bushcraft, axe throwing and giant swing! Learners really enjoyed this action packed break where they engaged in a range of outdoor physical activities to develop their teamworking skills and were individually challenged to overcome their fears and encouraged to open up to new experiences.

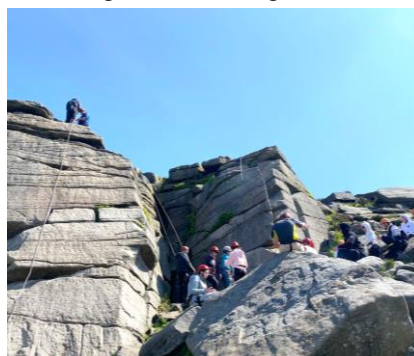

## Peak District Residential

### Rising to the challenge

Our Uniformed Services Level 3 Diploma and Extended Diploma learners enjoyed a fantastic 3 days/2 nights camping residential in the Peak District. As the trip was linked to one of the units studied, they were assessed during an expedition walk navigating with map and compass. They also very much enjoyed experiencing climbing and abseiling

## RAF Brize Norton Visit

Uniformed Services Level 3 Dip students had the opportunity to spend a day at RAF base Brize Norton. This was part of the RAF Look at Life Scheme which allows students to see the career opportunities available to them in the service. They learned about lifestyle in the RAF, the range of roles and careers prospects on offer.

## Forensic Investigation

*Crime doesn't pay with our students on the case*

Over two days our Level 3 720 Policing students undertook the investigation of a crime scene. This allowed them to demonstrate the use of crime scene investigation and show an understanding of how scenes and suspects can be linked through forensic evidence. They prepared evidence and produced a crime scene report. All very useful for their future careers!

## Thorpe Park

A well-deserved end of year fun day at Thorpe Park for all our Sport learners and staff

## New Forest Residential

Our Level 2 Uniformed students enjoyed a 3 days/2 nights residential in the New Forest, at Foxlease Activity Centre. Activities included walking with map reading/navigation assessments and team building activities like geocaching and raft building. Great memories were made by all.

## Tourists For The Day

Level 1s and Level 3s students enjoyed a sunny day in Brighton (linked to UK Tourism unit) which included a visit to the i360, fun on the pier and a world famous fish & chips lunch.
