

What we offer

- Industry experienced staff so you can be confident of excellent quality
- State-of-the-art training kitchen and restaurant facilities on campus
- A free no-obligation visit to discuss any training or development needs for your business
- Bespoke training that is shaped to your business development and operational needs carried out at a time and place to suit you
- Apprenticeships are work-based training programmes carried out at your workplace – we offer Hospitality and Catering Apprenticeships at Level 2 and 3
- Short or part-time courses:
 - A range of industry regulated training
 - Business support training such as Computing and English Language courses
 - Customer Service
 - Food Hygiene Certificate
 - Leadership and Management
 - Personal Licence Holders (for businesses wishing to serve alcohol on their premises).
- The Job Store offers a free vacancy advertising and recruitment advice service.

What are the benefits for your business?

- Industry research shows three main skill gaps across the sector – a shortage of skilled chefs, poor standards of management/leadership and poor customer service skills – we provide solutions to these gaps
- In a sector where almost two million people are employed – committing your business to training and development can help you retain and attract skilled employees.
