APPRENTICESHIPS

Train or hire the right people for the right roles and keep your business ahead. Through high-quality apprenticeships we help businesses of all sizes to maximise and shape their workforce with specialist skills to boost productivity. Working in over 26 industries, we help you to create the right recruitment and development programme for your business through **West Met Skills**.

WORK PLACEMENTS

Work placements are short-term opportunities for students to work with your business for 1-2 weeks. The student works on business activities that you assign and are agreed with **West Met Skills**. You do not have to pay a wage to the student but you may want to contribute to their travel expenses.

WEST LONDON INSTITUTE OF *Technology*

We are proud to be part of the national network of prestigious Institutes of Technology (IoT) offering top-quality training and apprenticeships in higher level technical skills within the engineering, digital and construction sectors. The IoT is a unique collaboration between training providers and industry leading employers to bridge the vital higher-level skills gaps in the UK economy through a range of delivery modes.

Please call **01895 853780**, to find out how you can benefit from this fantastic network of collaboration.

T LEVELS

From September 2020, we have been selected to deliver two T Level qualifications in the Digital sector: Digital production, design and development and the Education and Childcare sector: Education.

T Levels are new 2-year courses equivalent to three A Levels and feature a mix of classroom learning and 'on-the-job' experience through an industry placement of at least 45 days. They have been developed in collaboration with the employers to ensure that the content meets the needs of industry and provides students with the knowledge and experience needed to open the door into skilled employment, further study or a higher apprenticeship.

To get involved in these exciting new qualifications and supporting students with an industry placement, please call **01895 853780**.

The largest college provider of apprenticeships in west London with a strong reputation

Advice to help you maximise your workforce budget for levy and non-levy paying employers

RECRUITMENT & *talent solutions*

From hiring an apprentice, to helping you with larger-scale talent solutions, we have got it all. We provide recruitment solutions that help you to identify the right talent for the right job. With no recruitment fees to pay, one of our dedicated Account Managers at **West Met Skills** will work with you to provide candidates who are perfectly matched to meet your requirements.

BESPOKE TRAINING & *courses*

Our specialist training courses focus on professional and technical knowledge to bridge the skills gaps that exist in many industries.

West Met Skills has a training solution for individuals and businesses of all sizes. We offer a free no obligation on-site visit to assess your needs and develop a bespoke training and development package that works for you.

We also have FACILITIES FOR HIRE

Buying specialist equipment and finding suitable premises for training or meetings can be expensive, so minimise your costs by hiring our facilities.

Located close to Heathrow and central London, **West Met Skills** is an attractive choice for meeting room and venue hire in Uxbridge, Hayes and Harrow. Our well-equipped spaces and workshops are suitable for training sessions, meetings and events plus we offer office studios for new businesses to rent - all with ample on-site parking and excellent travel links.

INDUSTRIES *we work in*

There are over 26 different industries available covering various careers. For an up-to-date list, please visit: www.westmetskills.co.uk/employers
